General Sales Terms

Prices: current price list. YESOVENS Srl reserves the right to modify prices in any moment, by prior notice. In any case the only official valid document concerning prices is the ORDER CONFIRMATION.

Payment: as agreed

Standard packaging: included

Installation kit: included

Delivery-place: ex-works

WARRANTY CLAUSES

1. The “ product “ is guaranteed for a period of One (1) year from shipment date, proven by a ship-ping document issued by YESOVENS Srl.

2. Warranty means free repair or free replacement of all components of the “ product “ recognized by YESOVENS Srl as faulty due manufacturing defects.

3. Warranty is not valid if “ defect “ is due to operator carelessness, wrong installation or maintenance, arbitrary modifications or maintenance, maintenance carried out by unauthorized staff, installation in not suitable areas, freight damages and any other circumstance not concerning manufacturing defects. Are not included in the Warranty even technical works regarding installation and connection to power plants. However, all parts subject to wear and tear for the operation of the appliance are excluded.

4. The manufacturer declines any responsibility that, either directly or indirectly, could involve people, pets or things due to non strict observance of instructions laid down on the “ Operator’s Manual “, especially sections relevant to installation, use and maintenance of the product, in the event of machine breakdown or forced suspended use. Also in the event of operator was not adequately prior informed on “ Work Safety “ ruling legislation or having adequate individual protection devices.

5. If the machine is repaired at manufacturer’s premises (under Warranty), costs and transport risks will be charged to customer, either for shipment to YESOVENS Srl and for re-shipment to customer’s location.

6. After 12 months the “ product “ is no longer under Warranty. Therefore any assistance or component replacement provided by the manufacturer will be charged to the customer. Working costs (per hour) to effect repairing by the manufacturer will be charged to the customer according working cost (per hour) and travelling costs stated by manufacturer. In the event of any service carried out at manufactures premises, the “product “ should be sent and re-sent after reparation at customer’s costs and risks.

7. In no event may the repairs under Warranty gives an extension or a renewal of the same.

8. In no event will the manufacturer/seller be responsible for direct and/or indirect damages caused by functioning defects of its products, excluding therefore any Warranty term as per Art. 1490 of the Italian Civil Code.

9. If the “ product “ is returned to manufacturer for repair, please send in advance a photocopy of its “ Warranty Certificate “, copy of order showing purchase date (duly stamped by customer) and relevant serial number of the product. These documents are COMPULSORIES.

10. Claims: Any claim should be made in written to the manufacturer , within 8 days from goods arrival, otherwise claim would not be accepted.

11. Goods returned: Return of any goods must be agreed and authorized by a written document.

12. Competent Court: For matters not covered by current sale terms and conditions, reference is made to Italian Civil Code and customary regulations. For any claim or controversy the Padua (PD) Court will be the only competent Court.
